B.A.C. Reading of .25 or Above

526.1 POLICY

Due to the potential for serious medical complications and the resulting liability, an arrestee with a Blood Alcohol Content (B.A.C.) reading of.25 or above will not be accepted for booking into the Thurston County Corrections Facility (TCCF), unless they have been cleared by an appropriate Medical authority for incarceration.

(a) Advanced Life Saving (ALS) and Basic Life Saving (BLS) units will not be considered an appropriate medical authority.
